Well Check by phone	\$5.00 per call
Well Check in person	\$10.00 per visit

Scheduled visits or phone calls from the Urgent Response Aides intended to provide security and assurance to residents during a temporary illness or following a hospitalization. Well Checks may be arranged for a maximum duration of 72 hours. If you need assistance for a longer period of time please consult with your physician.

Note: These are not medical checks, nor are staff allowed to provide care. If a medical or urgent situation arises, the URA will call 911.

OTHER SERVICES AVAILABLE AT **NO CHARGE**

Urgent Response Aides (URA) x6000

Urgent Response Aides are registered or certified nursing assistants who have been trained in CPR and First Aid. They respond 24/7 to activations of SARA pendants and pull cords, as well as phone calls for resident assistance. URAs are prohibited from providing medical assessments. They function as first responders who will call 911 if medical assistance is needed.

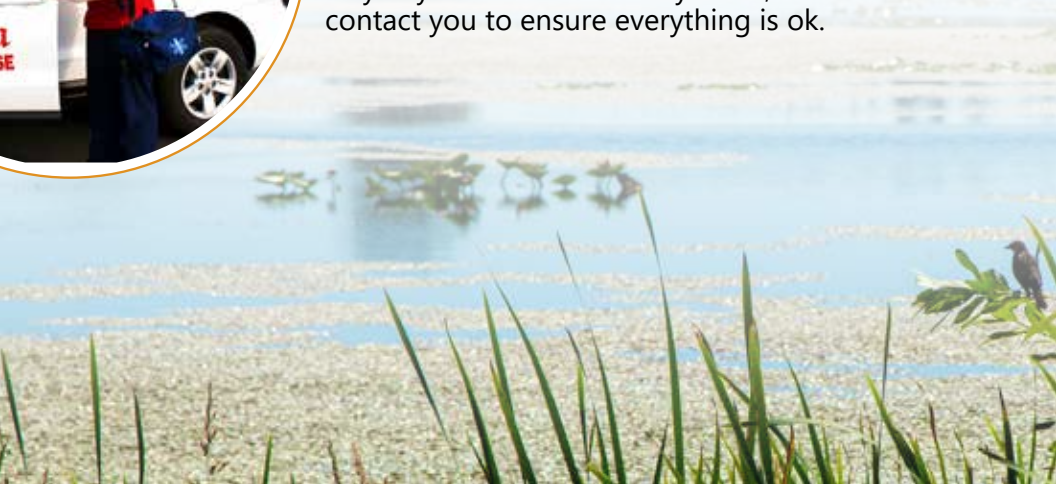

Note: In certain circumstances and after discussion with a resident and/or a resident's decision maker, a fee of \$40.00 per visit will be charged if utilization of URA services are excessive or inappropriate.

Welfare Checks x6000

If you cannot reach a resident due to a continuous busy signal or no answer, you may call the URA to request a free Welfare Check. The URA will visit the resident's home and follow up with you.

With this service, Urgent Response will know to expect a check in from you by phone call each day. If you haven't called by noon, the URA will contact you to ensure everything is ok.
